

HGK @ Atelier Mondial 2023

About	<p>Atelier Mondial aims to specifically promote intercultural and interdisciplinary dialogue about art, as well as the development of sustainable networks based on interest and friendship between artists from different countries and cultures. In collaboration with the HGK Basel, the residency program will continue to host guests contributing to study programs, research project or otherwise in one of the following institutes: IADE, IAGN, IXDM, IDCE, ICDP. The aim is to promote connections between artists, students, neighbors, and the wider public in the Basel region.</p>
