

Fall School in Medellín, Colombia and Basel, Switzerland (November/December 2024) Entrepreneurship in a cross-cultural context

The fall school is a two-week programme open to Swiss and Colombian students from all faculties. During two exciting and challenging weeks, participants take a deep dive into the world of entrepreneurship by developing projects and business ideas from all fields of study, attending courses, visiting different organisations, discovering local culture and expand relevant networks with people from Colombia and Switzerland. The course combines profit, non-profit and sustainable projects at the same time.

<p>Participants</p>	<p>All Students of the participating universities</p> <ul style="list-style-type: none"> • Universidad EAFIT is a highly reputed private Colombian university located in Medellín offering over 100 programmes on undergraduate, master, specialisations, and doctoral level. The university offers degrees in various fields through its schools of Management, Engineering, Law, Finance and Economics, Science, and Humanities. • FHNW: Students and employees of all schools are welcome. The aim is to have a truly diverse group representing the various fields of FHNW. • The fall school will be open for maximum 30 participants (15 EAFIT, 15 FHNW). <p>Participants need to be fluent in English (advanced level: European levels B2 written/C1 oral). No formal document/proof needed. Knowledge of Spanish not mandatory.</p>
<p>Timeframe</p>	<p>31 Oct 2024 Preparatory Evening in Switzerland</p>

	<p>Su, 24/11 – Fr 29/11/2024 Fall School at EAFIT, Medellin Fr 29/11 (evening) to Su, Travel to Basel (individ.) 01/12/2024 Mo, 02/12 – Sa, 07/12/2024 Fall School at FHNW, Basel</p>
Flights	<p>Participants book (and pay) flights individually. The programme starts on Sunday, 24 November at 17.00 in Colombia. The flight from Colombia to Switzerland has to be between Friday, 29 November and Sunday 1 December 2023. The programme in Colombia finishes at 16.00 on Friday and we start in Switzerland on 14.00 on Monday, 2 December 2024.</p>
Goals	<p>The fall school programme is open for bachelor and master students as its content is designed for students from all fields and each faculty of the participating universities.</p> <p>The fall school programme focuses on four major aspects</p> <ol style="list-style-type: none"> 1) Fostering the interaction between the students from both countries across faculty boundaries and thereby strengthening the international as well as the interdisciplinary exchange between students and employees. 2) Students learn how to use innovative techniques to find creative ideas and new solutions to today's challenges. 3) Students get to know relevant tools for the successful development of their projects / business idea. 4) Target-oriented working and cooperating in international and interdisciplinary groups.
Academic Programme	<p>Our fall school concentrates on entrepreneurial skills and spirit. The courses are academically challenging with a strong practical focus. Lecturers are experts in their fields and experienced practitioners, interaction between students and lecturers will be fostered. Participants will work in mixed groups on their own projects in various fields. Relevant content in the course:</p> <ul style="list-style-type: none"> • creating a business idea • developing and evaluating business models • strategic planning • market analysis and market entry • finance and human resources • stakeholder dialogue • intercultural management • convincing pitching and persuasive communication <p>The programme also includes visits of companies (e.g. start-ups, social start-ups, SME's) or organisations (e.g. business hubs) in both countries.</p>

Cultural and social programme	Attractive cultural and social events will make the participants' stay an unforgettable experience and contribute to intercultural competence. The programme features excursions to cultural and historical sites in each country.
Grading / Credits / Workload	The fall school is accredited with 5 ECTS (please check with your dean of studies if and how this module will be accepted at your specific degree programme!). The assessment consists of a group work and presentation during the fall school
