

Female Founders Event Olten

Get inspired and learn through the experience of successful female entrepreneurs!

The Founders

Marija Plodinec
CEO & Co-Founder
ARTIDIS

"I co-founded ARTIDIS because I believe that the technology we've developed has the potential to radically transform a cancer patient's journey."

"KUORI is intended to be a showcase for how circular thinking can already be integrated into the design of products"

Sarah Harbarth
CEO & Co-Founder
KUORI

"I'm still waiting for the moment when companies understand that you have to speak in the language of #GenZ to inspire the young. It doesn't start with a fruit basket. And not with free tea either."

Siria Berli
Co-Founder
Swisstok

"I'm committed to taking you from a state of hopelessness, constant use of painkillers and social withdrawal to help you to confidently master your migraine and claim back your life."

Elena Gross
CEO & Founder
Keto Swiss
